Dear ARG patient,

I wish to inform you that I am resigning from my position as a physician assistant at Arthritis and Rheumatology of Georgia, as I have recently decided to relocate. This decision did not come easy, but I feel it is in the best interest of my family. My last day at the clinic will be June 27, 2019.

Over the past 12 years, I have been privileged to work with the Arthritis and Rheumatology of Georgia team. I could have never asked for a better mentor than Dr. Gary Myerson. Ms. Chloe Jackson, PA-C will be joining Dr. Myerson's team June 2019.

I would like to thank you for your patience and cooperation with me over the years. I have come to know so many of you and have built a great patient relationship that I will truly cherish. Working at ARG has been a wonderful experience for me, and one that I will not soon forget. I will surely miss seeing all of my patients on a regular basis, and I thank you for allowing me to be a part of your healthcare team.

Sincerely,

Anna Adams, PA-C
